

Hear That? IT'S A CALL TO OWN YOUR MAGIC.
TO TEST YOUR LIMITS. *And set fire to your excuses.*

FACE YOUR FEAR *and* **OWN YOUR FAITH.**

To decide, FOR GOOD, *you are done with average.*

That **YOU ARE MEANT FOR MORE.**

THIS IS THE LINE.

WILL YOU *believe in possibilities?* IN YOURSELF? It's time to choose.

RISE AND NEVER TURN BACK. *Or don't.*

But make no mistake, *this is the opportunity* to burn limits to the ground

Step forward here, now, and show the world *you're not afraid* to get dirty.

Whatever came before? WAS NOWHERE NEAR THE END OF THE STORY.

YOU HOLD SOMETHING SO POWERFUL,

SO WICKEDLY INCREDIBLE *they can smell it in the street.*

Stop apologizing, shrinking, hinting, whispering, asking for permission,
giving in and PRETENDING TO BE SATISFIED with the status quo. *Push.*

Be the relentless driving force compelled to

SHAKE SHIT UP.

DO NOT leave well enough alone. *Get off your ass.*

These are Revelations **FOR A REVOLUTION.**

THE 1%. *May We Rise.*
